

## Empowering Learners to Achieve and Flourish Together

Grymuso Dysgwyr i Gyflawni a Ffynnu Gyda'I Gilydd

Dear All/Annwyl Pawb,

It has been a delight to welcome you all back to school this week. We are really pleased to see you and have enjoyed hearing all about your summer break.

**Thank you so much to you all for making sure uniform is correct**, this is really important to us. It helps us all to show pride in our school, to know that we belong and are valued members of the RyF team and shows that we respect school rules and are ready for learning. If you need any items of uniform we still have lots of freshly washed, pre-loved items available. **Grey school trousers, skirts, pinafores or school shorts; Yellow polo shirts; Royal blue sweatshirts or cardigans.** Well done, we are looking fabulous!

We have already planned a number of trips and experiences with our first visitor 'Dennis' the recycling lorry arriving at school on 18<sup>th</sup> September for all children to learn about how we recycle our waste and our first trip out of school for upper school children (Y3-Y6) to the Wales Millennium Centre coming at the end of September. Later in the year we will be going to St Fagan's Museum of Welsh Life and the beach amongst other places. We have our pantomime tickets booked for December already and have other visits and visitors planned during the year.

We will be holding our first open morning soon and look forward to welcoming you all to come into school and share your child's learning with them.

We will be providing all children new to RyF with a school water bottle which they can refill when required. This will stay in school and be washed regularly. This will mean they have water accessible to them all day, whenever they want. We continue to provide fruit snack daily and ask for a contribution of £1/week per child. We find that the children love the variety of fruit/vegetables and will often be adventurous in trying new fruits as our offer changes. This week has been watermelon, apples, oranges, grapes, kiwis, cucumber and carrots! #HealthyHarri

**Attendance has been good this week, thank you. Let's keep it up 😊**

Mrs Helm
